

A story about best friends

Louise was 15 years old, and Grace was 14 years old. Grace lived next door to Louise's place.

It started at 7pm on a Friday night and it ended on Sunday night. I hosted the slumber party at my house with some friends in the movie room where we will sleep in so we could watch a movie before we eat dinner and dessert. Suddenly Grace brought her boyfriend along without asking Louise first. Louise had a dog named Nala and Nala is a sausage dog. Louise and Grace didn't know they were neighbours. Louise owned Nala the sausage dog that was a 1-year-old puppy dog. Nala was a brown sausage dog.

One Saturday night Luke, Grace's boyfriend showed up to Louise's place, when Louise and Grace were having pizza for dinner. Luke wasn't invited to the two-night sleepover. Louise said to Luke that it was girls only for the slumber party sleepover. Louise says to Luke to leave the house. Grace said to Louise that Luke said he wasn't happy that he was told to leave Louise's house. Grace wasn't happy that Luke had to leave the girls sleepover.

One day Nala the brown sausage dog got out because the gate had not been shut properly.

Louise went to ask Grace if she could help her find Nala the dog. Louise and Grace went looking for Nala for a couple of hours. They went to the dog park and found the dog playing with other dogs at the park. They stay at the dog park so Nala can play with other dogs for a while. Nala and the other dog became good friend. Nala and the other dog went on a date together they went to the dog park for the day.
